Notes:

- (1) This was the interim dividend per share, **which was already paid on 26 October 2010.**
- (2) This represents the dividend per share, **which is being proposed to the shareholders at this Annual General Meeting for consideration.** If the approval is given, the Company will prepare a list of shareholders eligible for the dividend payments on 20 April 2011 and gather their names in pursuance to Section 225 of the Securities and Exchange Act B.E. 2535 (1992) and Additional Amendment to the Act B.E. 2551 (2008), by **closing the register book for suspension of the share transfer on 21 April 2011, with the dividend payments to be made on 3 May 2011.**
- (3) The calculation of the above dividend payments is based on the sum of the ordinary shares and the preferred shares which amounts to 1,333,154,003 shares, less 55,324,300 ordinary shares repurchased by the Company under the 'treasury stock' project. The net sum of the ordinary shares and the preferred shares after the treasury shares amounts to 1,277,829,703 shares.

The proposed dividend payments will be in line with the Company's established dividend policy, taking into account the Company's performance, the long-term rate of return to the shareholders, and the capital adequacy.
